

## ELECTRONIC INFORMATION DISCLOSURE STATEMENT

Electronic Version v18

Stylesheet Version v18.0

Title of Invention	IQ MODULATION SYSTEMS AND METHODS THAT USE SEPARATE PHASE AND AMPLITUDE SIGNAL PATHS																																																																														
Application Number:	09/703037 																																																																														
Confirmation Number:	8911																																																																														
First Named Applicant:	M. Khatibzadeh																																																																														
Attorney Docket Number:	8194-453																																																																														
Art Unit:	2631																																																																														
Examiner:	Jean B. Corrielus																																																																														
Search string:	( 6420940 or 6236267 or 6211747 or 5952895 or 5737694 or 5705959 or 5412353 or 4952888 ).pn.
